

A workhorse that is truly an asset to your office

Samsung Multifunction Laser Printer SCX-5835FN

A workhorse that is truly an asset to your office

Find it all in the Samsung SCX-5835FN, a superb laser multifunction printer. The ultimate office assistant, it supports workgroups of varying sizes and needs. Extensively tested for total durability, it can print, copy, scan and fax in the thousands per day, every day. All at a cost that's highly affordable—and it's not just money you'll save. Designed for efficiency, the SCX-5835FN lets you accomplish everything fast. Getting that productivity boost has never been this easy.

Always up to the task

For performance you can trust, look to the SCX-5835FN. A model of reliability, it gets all of the work done without all of the fuss. Enjoy more output from month to month, with less interference to hinder the workflow.

High maximum monthly duty cycle

With an average of 2,500 to 5,000 prints a month, know you stand to get the most out of your multifunction printer. Even in the most demanding and challenging business environments, the SCX-5835FN leads in productivity—capable of delivering a maximum of 80,000 sheets.

Worry-free operations

The multi-talented SCX-5835FN will change the way you work. You get high performance that will boost productivity and streamline workflow. Intuitive troubleshooting solutions and simplicity help reduce maintenance time so you can spend more time on the job and not fixing paper jams.

More to gain, at less cost

The powerful performance of the SCX-5835FN doesn't come at a price. Highly affordable to both purchase and maintain, it ensures that you'll see only a rise in efficiency—not expenses.

Enhanced for greater support

The SCX-5835FN is not your average printer. Equipped with a built-in 80GB HDD, it boasts nearly twice the capacity of the nearest competitor. Right out of the box, you get a suite of bigger capabilities—plus support for a wider range of applications, including cross-platform solutions such as JScribe. To meet the needs of highly sensitive business environments, it also features secure printing to maintain strict confidentiality.

Lowest cost per print

More economical to operate than other models in the market, the SCX-5835FN adds more value to your set-up. Think of the compounded savings you stand to make, with each printout costing you less than ever. The assurance of reliability also minimizes cost-wastage typically incurred with paper jams and other malfunctions.

It takes a lot to meet the rigorous demands of a busy office

While diminutive in size, the SCX-5835FN is big on benefits, keeping the whole office running at optimum speed and cost efficiency. Print queue manipulation manages workflow, while built-in duplex printing helps keep paper expenses low even with high print volume. No matter the demands, you've got a suite of features to serve the workgroup.

High volume paper handling

Depending on your needs, the SCX-5835FN can be fitted with multiple trays with different paper types and sizes to hold up to 1,050 sheets at a time. Print in bulk without the need to constantly replenish the paper supply—especially with the capability to print on both sides of a sheet at the touch of a button.

Enhanced emulation

Built-in emulation technology ensures utmost compatibility with any computer or software, so the multifunction printer can process every document fast and easy. No matter the job or requirement, from basic prints to professional-looking documents, you're guaranteed the printout and quality you need.

Expandable RAM

Boost the printer's performance with up to 512MB memory to tackle all those image-heavy documents. Every printout is delivered quickly and smoothly without any bottlenecks to disrupt workflow.

Workgroup solutions

Enjoy the flexibility to do more with the SCX-5835FN. A multifunction whiz, it accepts information through scanning, email, fax or folders. The data can then be manipulated through full OCR processing, metadata, 3rd party applications or user-customized software. Share the finalized information via fax, print, email, FTP and applications like MS SharePoint, or send it to a PC folder through the workgroup LAN.

Designed for total efficiency

Superbly trimmed to fit in smaller spaces, the SCX-5835FN is styled also to help you work better. A host of design features, like an intelligent control panel and standalone USB support, allow you to get the job done faster and easier.

One-touch control

Simplify tasks with a 7-inch colour LCD touch screen that does away with unattractive physical buttons and adds to surrounding décor. Information is displayed clearly and concisely, with most menu options accessible directly from the LCD. Intuitive navigation minimizes operation time. Every second saved counts towards increasing productivity.

Control Panel:
Clean, uncluttered and easy to navigate.

LCD Window:
Large display with direct-access menu options.

With the enhancements in place, you can view the entire menu in one glance—this intelligent menu can also be customized to your needs for increased efficiency. While in operation, the on-screen information is also streamlined to individual work processes. When a problem arises, find the fix through simple guided instructions and graphics.

Main Menu: Find everything you need in just one glance.

Printer Management:
Get quick access to machine status, settings and reports.

Minimal noise interference

The SCX-5835FN helps create a better, more peaceful working environment by printing at a silent 52dB (quieter than a competing model in the same class) so your mind stays on the job. Less stress, more productivity—simply the best balance for your business.

Streamlined interface

Breeze through the many functions with a simple-to-use interface. General help can be obtained through the handy “User Tips” feature. To further reduce guesswork, you can also instantly pull up a display of the complete menu flow and organization.

In Operation:
Ready screen information minimizes the guesswork.

Function Options:
Customizable to your needs for improved efficiency.

Touch Keyboard: Streamlined to ease individual work processes.

The beauty of convenience

Change the way you look at printers, and how you work, with the outstanding features of the SCX-5835FN. A Direct USB port turns it into a self-functioning PC to save time and effort, letting you print and scan directly with a USB drive. The SCX-5835FN is a veritable scanner, with an innovative white LED scanner that scans documents faster and in a higher quality compared to other conventional models.

USB Port 1: Located in front for easy and direct access.

USB Port 2: Additional side port.

Features at a glance

Everything you need in one reliable multifunction printer.

High volume handling

- 500 sheets in Standard Cassette Tray
- 500 sheets in Optional Cassette Tray
- 50 sheets in Multi-purpose Tray
- 50 sheets in Duplex/Automatic Document Feeder

Premium quality

- Intuitive touch interface with 7" colour LCD
- Space-saving sleek design
- Low-noise printing
- 1,200 dpi print resolution

Saves costs & time

- Duplex printing & copying
- N-up & booklet print
- Paperless PC fax
- Duplex/automatic document feeder
- Print up to 33ppm (A4)

Superb scalability

- Electronic data exchange via USB
- 80GB HDD
- JScribe support for diverse 3rd party applications

Diverse compatibility

- Multiple OS support
- Emulation to handle different printing environments & documents

Enhanced security

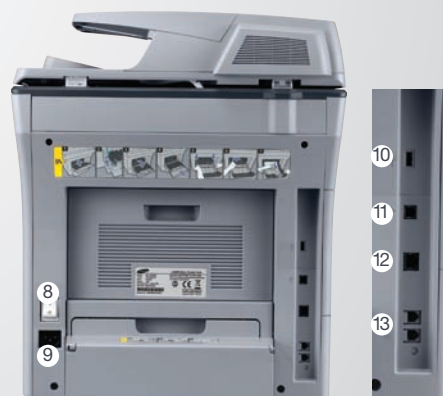

- Release print & fax jobs by owner
- Set feature restrictions for individual users

Control Panel Components
