

Compact and Reliable

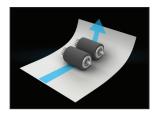

Compact and Reliable Monochrome Laser Printer

This affordable, wireless monochrome laser printer is fast, compact and offers excellent print quality. Easy to use, with low running costs, the HL-1210W deals reliably with your daily print requirements.

- Fast printing at up to 20 pages per minute (A4) and less than 10 seconds until the first page is printed
- Compact, space saving design
- Affordable and easy to replace consumables
- Print from mobile devices (iPrint&Scan)

With low-priced hardware and genuine consumables, the Brother HL-1210W Wireless Monochrome Laser Printer offers approximately 1,000 prints without compromising on quality. Unlike most printers, the Brother HL-1210W features a separate toner cartridge and drum unit. This means you only need to replace one component at a time, giving you signicant cost savings.

Unique rubber material prevents dust from sticking onto the rollers.

Dual roller system improves paper feeding by picking one sheet at a time.

A short paper path enables smooth printing and prevents paper from getting stuck.

Description	
Technology	Electrophotographic
CPU Speed	ARM9 200MHz
Standard Memory	32MB
Printer	
Print Speed	Up to 20 ppm
Printer Resolution	600 x 600 dpi, HQ1200 (2400 x 600 dpi) quality
First Print Out Time	Less than 10 secs from ready mode
	Less than 28 secs from sleep mode
Warm Up Time	Less than 18 secs from sleep mode
	Less than 23 secs from power on
Emulation	GDI
Control Panel	
LED Display	Orange x1 (Error), Green x1 (Ready), WLAN x1
Control Panel Switches	Power On/Off, Wi-Fi
	•
Connectivity	
Interface	Full-Speed USB2.0, IEEE 802.11b/g/n Wireless
Wireless Mode	IEEE 802.11b/g/n (Infrastructure Mode/Adhoc mode)
Wireless Setup Support Utility	
N	AirStation OneTouch Secure System™ (AOSS)
